

# Creation First!

Presented by: Charles Bultman M.A.

Do you ever wonder.....

- Is there evidence for a young earth?
- What about the Ape men?
- Do Creation compromises work?
- How does the theory of Evolution impact me?
- What are the odds of evolution?
- Can science prove either Creation or Evolution ?
- Where did all the races come from?
- What about Carbon<sup>14</sup> and Radio Active dating?

Come and join us as we hear the answers to these, and other commonly asked questions.
